Tom Stamman of Impact Ministries International will speak at NLF on Sunday, June 9 at 10:30 a.m. and 6:30 p.m.

Tom is the founder/CEO of Impact Ministries International. He's an evangelist, preacher, speaker and teacher. He holds a B.S. in Pastoral Studies from North Central Bible College and is the author of eight books. One is used as a textbook at Rhema Bible College.

Tom is a resilient follower of Jesus and is empowered by the Holy Spirit to live out a naturally supernatural lifestyle. He speaks over 400 times a year, encouraging and inspiring believers to be the change they desire to see in this world. Positive, upbeat, and visionary, Tom is able to accomplish incredible things. He answers yes to opportunities God places in front of him and is driven to build every project self-sustaining so it can last for generations.

Impact Ministries International (IMI) exists to use agriculture and business to change lives and destinies through the transforming power of Jesus. They do this by building income-generating farms and businesses to surround and financially support humanitarian work. This is called, a "City of Refuge." Matthew 5:14 – "You are the light of the world. A city set on a hill cannot be hidden."

The humanitarian work focuses on the current greatest need in that area. Internationally, this is an orphanage/boarding school for kids born into extreme poverty and at high risk for exploitation and abuse. Locally, this is a safe house for trafficked humans or minors at risk for exploitation and abuse. Every city is built to be self-sustaining so that the work can continue indefinitely.
